Dear *Nick*

Local Government Act 1985 – Section 6 Alteration of Boundary

At their public meeting held on 16th December, 2020, the Ramsey Town Commissioners resolved to submit an application to the Department of Infrastructure, under Section 6 of the Local Government Act 1985, seeking an alteration of the Ramsey Town Boundary.

The Commissioners have considered the matter with reference to the criteria for boundary extensions published by the Department, and have met with both affected authorities, Lezayre and Garff, to discuss the proposal which is outlined in more detail within the enclosed report.

The Commissioners understand that the Act provides that before making an Order the Department shall consult with every local authority whose district is affected by the proposed Order and shall hold an inquiry.

Should you wish to discuss the proposal or require any further information I would be happy to assist.

Yours sincerely,

Town Clerk and Chief Executive.
