

Please Vote for Katrina Netelat

Candidate for Ramsey North Ward Commissioners
Election on 24th April 2025

My Manifesto : *"Let us save our Cottage Hospital and rejuvenate it for all of Ramsey"*

April 4th, 2025

My name is Katrina Netelat. Please call me Tina.

A big **THANK YOU** to each of you for your interest and time in reading my manifesto.

I lived in "**sunny Ramsey**" during my growing-up years and left the Island as a teenager, along with my Mum, as my sister was severely handicapped at birth and specialist care wasn't available here.

My grandparents are the Radcliffe family who had Windsor Cafe in Albert Square and I attended the **Albert Road Primary School**, followed by the **Ramsey Grammar school**.

Background:

Worked in public services before starting my Volunteer work with the Royal Oldham Hospital in UK, bridging the gap between hospital Pharmacy and Patient Discharge Lounge, as well as helping to personally deliver controlled drugs to the wards from the pharmacy.

My husband is a local Ramsey GP.

We love the Island and the people of Ramsey in particular.

Values:

Honest, Traditional, Conservative, Liberal. I value friends and relationships and take care of my commitments.

Vision:

The project dearest to my heart is to help save and rejuvenate **The Ramsey Cottage Hospital** and see services and Consultant visits develop here to facilitate review and follow-ups for many of us here in Ramsey.

We have more than 17,000 people here, many with access difficulties to Nobles and to the only 2 practices in the North.

Campaign:

I share your vision to "save our cottage hospital" as it was built for a local purpose and supported by the local community.

Our shared campaign could help save and restore "*the heartbeat of our Ramsey*", the only Community Hospital we know here, used productively to its highest potential for the local people and nursing homes.

I saw this throughout my childhood and growing up years and we had access to several professionals in many disciplines.

Let us together get the ball rolling, thereafter there are so many other positive things we could do to help rebuild confidence in our town's future.

Please let us meet up soon! Maybe Over a coffee?

Last, but not the least, please do remember there are only 6 seats..

Please use one of your votes for me.
